

Richmond Refinery Incident and Injury Free

Good Morning Richmond Refinery,
Welcome to Week 6 of our 4th Quarter
Loss Prevention Proactive Event.

This week, our thought provoker is
related to Hazard ID tool and LPSA.

*Please visit the Incident and Injury Free website for
your reference material.*

LOSS PREVENTION SELF ASSESSMENT

BEFORE BEGINNING ANY ACTIVITY, IT IS YOUR JOB, AFTER A LOSS OR NEAR LOSS, AND / OR UNUSUAL CIRCUMSTANCES:

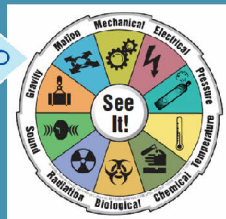

ASSESS the risk!
What could go wrong?
What is the worst thing that could happen if something does go wrong?

ANALYZE how to reduce the risk!
Do I have all the necessary training and knowledge to do this job properly?
Do I have all the proper tools and / or Personal Protective Equipment?

ACT to ensure loss-free operations!
Are necessary action to ensure this job is done properly?
Follow written instructions! Ask for assistance, if needed!

DO NOT PROCEED UNLESS ALL RISKS HAVE BEEN ADDRESSED!
For Everyone - Every Day - All the Time.

LPSA → HAZID
